SPEEDTYPE VACATION W

Braixen now dances along the way, happy since he had doxxed one of the people that had wronged him throughout his time in 2-Gear Studios.

Stefan *Gabriel* Barbu

And now, a lesson on opsec. Stefan ***Gabriel*** Barbu got doxxed because he literally gave his information out to random 12 year olds on a Roblox roleplay discord server, showcasing his low IQ. Either from the fact that he's a Slavotolian ***SUBHUMAN***, or because he's Gypsy. (Probably both, since he lives in Romania.) Either way, this little nigger has doxxed HIMSELF.

Slavotolian: A person from the Balkans who derives most of their ancestry from Slavs and Turkish people.

Date of birth: October 7, 2002.
